Malaysian Financial Reporting Standards (MFRS Framework)

The Malaysian Accounting Standards Board, in furtherance of its objective of converging the accounting framework for entities other than private entities in Malaysia with International Financial Reporting Standards, announced on 19 November 2011 the issuance of Malaysian Financial Reporting Standards (“MFRS”). Entities other than private entities shall apply the MFRS framework for annual periods beginning on or after 1 January 2012, with the exception of entities subject to the application of MFRS 141, Agriculture and/or IC Interpretation 15, Agreement for the Construction of Real Estate.

An entity subject to the application of MFRS 141 and/or IC Interpretation 15 may continue to apply Financial Reporting Standards (“FRS”) as its financial reporting framework for annual reporting periods beginning on or after 1 January 2012. This has further extended to their parent company that either consolidates or equity accounts or proportionately consolidates the entity that has chosen to apply FRSs as its financial reporting framework may itself choose to apply FRSs as its financial reporting framework for annual periods beginning on or after 1 January 2012. All of these entities shall comply with the MFRS framework for annual periods beginning on or after 1 January 2014.

The Group is currently assessing the impact of MFRSs, in particular MFRS 1, First-time Adoption of Malaysian Financial Reporting Standards, on the financial statements of the Group and of its subsidiaries. With the exemption given to the entity subject to the application of MFRS 141, the Company will adopt MFRSs to prepare consolidated financial statements from the financial year ending 31 January 2015.
